STATEMENT OF PURPOSE

Delta Lake Bible Conference Center exists for the purpose of presenting programs which foster Christian spiritual growth in individuals, families, both younger and older. These programs encompass the areas of worship, instruction, service, praise and fellowship all flavored by the distinctives of the Christian and Missionary Alliance. These distinctives include a commitment to the preaching of the Gospel to the ends of the earth and to the building up of the church and to the emphasizing of the fullness of Christ in personal experience.

Here at Delta we want everyone to "...attain to the whole measure of the fullness of Christ," (Ephesians 4:13). This we endeavor to accomplish through the sponsoring of many C&MA camping programs and through making available to other Christian organizations the use of these grounds for retreats, conferences and camping experiences.
