

Prospective Buyer's Waiting List

If someone expresses a desire to purchase a cottage at DLBCC they will be put on a "Prospective Buyer's Waiting List" if:

- 1) They complete and return to a Board designated representative, an Application for Lease Agreement.
- 2) Their Pastor returns a Pastor's Reference Form
- 3) They have had an interview with the Cottager Subcommittee and been approved by the Executive Board of Delta Lake Inc.
- 4) Keep current info up to date with Board appointed representative.
- 5) When a cottage comes up for sale, they will be contacted by said Board appointed Representative.
- 6) If a seller has contacted someone not on the "Prospective Buyer's Waiting List", only upon that person's refusal will info be sent to those on the list or if seller requests that info be sent anyway.
